with Derek & Jane

New 10 week Beginners course - £65 starts:

If you've only tapped your feet to those cool Big Band Swing Tunes of the 1930's/40's but secretly wanted to get up and dance, now's your chance. This course will get you Lindy Hopping on the first night. Each week you will learn more about classic moves, the Charleston & how to lead & follow. Make new friends & get fit the fun way.

This course is also ideal for dancers of other swing styles that developed from Lindy Hop e.g. Jive/Rock 'n' Roll.

Go on, you know you want to!

No need to bring a partner.
